hosts

## Our 12th Annual Youth Power Hour in support of Adolescent Mental Health & Lionheart Foundation

The Friends of Youth Power Hour play an essential role by covering all costs of the event and making the event possible!

### ABOUT THE CAUSE

Mental health of our youth is one of the pressing issues of the decade. Lionheart Foundation (through the Youth Power Hour fund raising event) is leading the way in our community, offering help and solutions each year to hundreds of youths and their families. Youth are exhibiting heightened anxiety, depression, self harm, eating disorders, obsessive behaviours, and suicidal ideation. We have built and continue to build a network of highly skilled therapists and support professionals. We help defray the costs of getting professional help for families needing assistance and spread awareness of best parenting practices. Our sponsors behind the Friends of Youth Power Hour are making it possible for that to happen.

We invite your organization to be part of the youth mental health solution in our community and to help change the lives of many – in the best kind of way!
